**How much profit do we make?**

You make \$6.00-\$9.00 profit per card depending on the number of cards ordered.

**Is this fundraiser only available to non profit groups?**

No, this program is offered to any organization or any one who needs to fundraise.

**Is there a minimum order?**

No, there is no minimum order. Unlike other companies that have a minimum of at least 500 cards, we do not have a minimum order. This enables smaller groups to participate in this fundraiser, who couldn't otherwise.

**Do we have to pay any money upfront?**

No. We can give most groups 15 days from the time they get their cards to pay us back.

**Can I pay by check instead of credit card after my 15 days are up?**

Yes. You have the option of sending us a check or charging the credit card specified on the contract when your payment is due.

**For the 15 day payment program, does the 15 days start from the time we place our order or from the time we receive the cards?**

The 15 days start from the time you receive your cards.

**How many offers can fit on the card?**

The card can fit up to 20 offers.

**Who secures the businesses for the card?**

Your organization will be responsible for securing the offers on the card.

**Do you have select businesses already on board?**

We do not have any national contracts with any businesses or franchises. Since most franchises are independently owned, it would be difficult to get a card accepted at all locations everywhere because it's up to the discretion of each location's owner or manager.

**Can more than one location, such as McDonald's, be listed on the card?**

Yes. As long as you get approval from both locations we can list them on the card. If both locations honor the same offer, we will list both addresses on the card. If the offers differ, we will put the offers in two different boxes.

**Are the offers good for a one time use or repeated uses?**

The cards are good for repeated uses for an entire year.

**How long does it take to secure the offers?**

The time it takes to secure local merchants all depends on your organization's efforts. It generally takes 1 to 2 weeks to secure local merchants. It is very important to spend time securing the best merchants and offers. A discount card with a mix of offers from popular and local merchants will make the card a lot easier to sell and more profitable.

**How easy is it to secure businesses?**

It's easier than you think. Businesses like to participate in them because it's free advertising and it helps them increase sales. It also gives them a chance to support the community. We provide a script on what to say to businesses, and provide a list of offers merchants can easily choose from.

**Do we need to fax the signed merchant agreements to FastTrack Fundraising?**

Yes. After you place your order online, please fax us your merchant agreement forms. The fax number is toll-free (888) 778-2581.

**Does FastTrack Fundraising need any info from our organization before we get started on this fundraiser?**

No, you can get started right away. If you have any questions, please feel free to contact us.

**How do I place my order?**

You can place your order online through our website <https://www.fasttrackfundraising.com/designcard.php> Every group does their fundraiser differently. We offer you the ability to place your order first then get merchants or to get the merchants first and then order.

**Can I receive a proof of the cards before they are printed?**

Of course! We will email you the front and back proof of the card for your approval before we print the cards.

**How long does it take to receive the cards?**

Once you have approved the design, you will receive your cards in 3-6 days for orders less than 500 cards, or about 11-15 business days for 500 cards or more. Fastest in the industry.

**What service do you use to mail out the cards?**

We ship our cards via the United States Postal Service. We ship by priority mail which normally takes 2-3 days.

**Can we have our organization's logo on the front of our cards?**

Yes. If you can furnish a standard, high resolution image (ie. jpg, bmp, gif format) we can customize your card. Please email your logo to [logos@fasttrackfundraising.com](mailto:logos@fasttrackfundraising.com)

**How do we get the merchants' logos on the back of the card?**

We have logos for all the major merchants. If the merchant is a local store without a website, you can ask for any document with their logo on it, such as their business card, and scan it and send it to [logos@fasttrackfundraising.com](mailto:logos@fasttrackfundraising.com) or fax it

**Can the unsold cards be returned?**

Although unsold cards cannot be returned to us, to help save the environment you can recycle unsold cards with us. We will credit 20 cents for every card that you send back to us. This credit will be applied to the next fundraiser that you do. Remember since we have NO MINIMUM ORDER we print and ship re-orders within 48 hours. We also guarantee you will make a profit, or will refund your money.

**When does the card expire?**

The card will expire one year from the date the cards are printed, unless otherwise requested. It's up to you on how long you want the cards valid for, as long as your participating stores agree to it.
